Okay people, ive got a problem. I submitted this awesome new forum that took like, FOREVER to make, and then it wasn't there. I waited like, 20 minutes but it didn't come. Then something popped up and told me that my forum was deleted. But I swear i didn't write anything inappropriate at all. Please help me either figure out how to get it back, or show me what I'm doing wrong. Thanks!

I agree to the rules, but I was wondering if you can answer a question~ are you able to ask Tui to read my story (wings of fire: tales of Pyrrhia~ If the SkyWing egg survived) and give me advice on how to improve it for part two?

1

I have decided to quit. If you want me for any reason, look for Stormfire on Wings of Fire Amino.

This is Midnight. Nicknamed Maddie by Puppy.

My OC is Stormfire of the NightWings. Storm for short.

I have this RP. An RP I made on Google docs. And do you know how long it was? Sixteen pages. That's right, sixteen pages worth of roleplay. It took two weeks to write. I've sent it in twice, but it was deleted both times. I'm going to try again.
